#### **SECTION 1. PURPOSE**

This ordinance is enacted pursuant to the police powers granted to the **Village of Palestine, a municipality**, by the Illinois Municipal Code (65 ILCS 5/1-2-1, 5/11-12-12, 5/11-30-2, 5/11-30-8 and 5/11-31-2) in order to accomplish the following purposes:

(b) be constructed with materials resistant to flood damage,

The **Village of Palestine Board of Trustees** shall review the applicant's request for a variance and shall submit its recommendation to **the Village of Palestine Board of Trustees**. The **Village of Palestine Board of Trustees** may attach such conditions to granting of a variance as it deems necessary to further the intent of this ordinance.

No variance shall be granted unless the applicant demonstrates that all of the following conditions are met:

all other state and federal permits have been obtained.

The **Village of Palestine Board of Trustees** shall notify an applicant in writing that a variance from the requirements of the building protections standards that would lessen the degree of protection to a building will:

Larger floods may occur or flood heights may be increased by man-made or natural causes. This ordinance does not imply that development either inside or outside of the floodplain will be free from flooding or

damage. This ordinance does not create liability on the part of the Village of Palestine, a municipality, or any officer or employee thereof for any flood damage that results from proper reliance on this ordinance or any administrative decision made lawfully thereunder.

## Explanations

### CRAWFORD COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.

### EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

### CERAMIC TILE FINISHER, MARBLE FINISHER, TERRAZZO FINISHER
